

ADVENTURE IN THE TREE HOUSE LODGE
IQUITOS
(4 Days / 3 Nights)

FEBRUARY – MARCH 2027

DAY 1 LIMA - IQUITOS

Meals included: Lunch, Dinner

Spend the next three nights in a unique stay at Tree House Lodge, the only lodge of its kind in the Peruvian Amazon.

Located at the confluence of the Yarapa and Cumaceba rivers, near the Pacaya Samiria National Reserve, the bungalows, perched high in the trees, offer a completely new perspective of the rainforest. The 10 bungalows are equipped with fine linens, a sink, toilet, and shower (cold water only—a great way to cool off in the heat). Fine mosquito nets around the bungalows and over each bed will protect you from mosquitoes. Enjoy delicious Peruvian meals (including bottled water and juices) served in the main house.

The lodge offers a selection of tailor-made activities, such as canoeing, boating, or kayaking, lasting 2 to 3 hours depending on water levels and weather conditions. Your package includes transfers to/from Iquitos airport, full board, and à la carte activities.

DAY 2 IQUITOS

Meals included: Breakfast, Box Lunch, and Dinner

Your guide will help you choose the best excursions according to your interests to appreciate the local flora and fauna, although there is more than enough nature to explore on the property. Thanks to its secluded location, you are likely to see five species of monkeys, the pink river dolphin, and various birds. When your excursion takes you off the lodge during lunchtime, a box lunch will be provided.

DAY 3 IQUITOS

Continue your Amazon adventure by choosing from the different excursions offered by Tree House Lodge.

Day 4 IQUITOS - LIMA
